

# PMP® Training & Partnership Support

For Universities, Colleges, and Organizations

Increase student success and strengthen your PMP program, without adding workload to your faculty or instructional team

## What We Do

Karma Coaching Insights partners with universities, colleges, and organizations to deliver modern, evidence-based PMP preparation and leadership development.

Our goal: higher confidence, stronger comprehension, and improved PMP exam success, without adding workload to faculty or training teams.

**Trusted by institutions across Canada and the US — helping 60+ learners achieve higher confidence, stronger comprehension, and improved PMP exam readiness.**

## Why Partners Trust Karma Coaching Insights

Empowers diverse learners, builds confidence, and reduces study overwhelm

### Human-Centered, High-Performance Learning

Evidence-based coaching that supports diverse learning needs, builds confidence, and strengthens comprehension.

### Proven, Measurable Results

60+ PMP candidates supported with higher confidence, stronger comprehension, and improved exam performance.

### World-Class Expertise, Backed by Research

Led by PMP®, PMI-ACP®, and PhD Candidate specializing in e-Research & Technology Enhanced Learning, with a focus on AI-enhanced project management education.

## Meet Kristen

**Kristen Karmazinuk, PMP®, PMI-ACP®**  
PhD Candidate, Lancaster University (UK)

Kristen blends project leadership, instructional design, coaching, and research-backed methods to help institutions and organizations strengthen their PMP program delivery and learner outcomes.

**Trusted by learners across Canada, and the US for training that blends research, real-world PM expertise, and emotional intelligence — the combination today's learners need most.**

**EXPLORE A  
PARTNERSHIP**
